Dear Mohinder

I have only just settled down in LUCKNOW after various tours since attending the Rajput Regimental Reunion at FATEHGARH. I should like to take this opportunity to thank all of you for the kind hospitality extended to me. It was is always a pleasure to meet so many of the old guard who looked so cheerful and proud of their Regiment and they certainly showed up well. Everything went very well and I can fully imagine how much hard work you and your colleagues must have put in.

Yours sincerely

Sd/ SANT SINGH
